To whom it may concern,

We have no hesitation in recommending Mortgage Origination (Jackie Edwards and Paul Holland) as Finance Brokers.

Jackie and Paul exceeded expectations in providing financial facilities for the refinance of 41 McLaren St North Sydney property.

Their work in achieving this financing included negotiation of technically and legally complex issues, involving both property and equity matters.

Several other brokers were unable to assist. We regard Mortgage Origination of being capable of arranging more sophisticated facilities than many other brokers.

We have no hesitation in recommending their services.
